

THE ORANGERY

Creating a wine list is a labour of love. The world of wines is constantly evolving and some vintages are better than others, which means that there is a constant search and the odd tasting to find the latest offering.

The Orangery wine list is carefully crafted to have a balance of Old World New World and of course some very interesting finds that just have to be on the list, on the merit, that they are outstanding.

The offering of a wine flight with The Orangery's menu is one of the options to learn more about the newest finds that are housed in the Cellars.

Our aim is to serve fantastic food in relaxed surroundings together with good wines.

Enjoy the Journey!
